5. Have your child bring a water bottle with his or her name on it. We will have extra water bottles for the children, just in case they need more water to drink.
6. Have your child wear sunscreen right before the field trip.
7. Your child does NOT need to bring a camera. We will take pictures and share them with you. We are not responsible for the lost items. No need to bring money either since we are not going to the park store.
