

Biology. Kids. Hands-on. Fun.

# Bionerds Biology Workshops for Kids

Bionerds offers fun, hands-on biology workshops for kids K-8th grades in many cities throughout Orange County. We have after-school, in-class, home school, camps, party, field trips, and Girl Scouts programs. We are honored to be voted Orange County's Best Science Camp for multiple years from 2016-2019 by Parenting OC Magazine families. We are also chosen as one of the Coolest After-School Classes in the Country by Red Tricycle website. All of our teachers have degree(s) in biology or other related sciences/experiences.

## Spring 2020: Camping Science: Connecting to Nature

Come and join our exciting hands-on workshop to help your child recognize and appreciate the living world just outside their window. We will discuss camping-related topics, such as wildlife, survival, sun power, rocks and more. Your child will be up close with live/preserved organisms and engage in cool camping-related activities.

### St. Junipero Serra Catholic School

Thursdays, April 2-May 28, 2020

2pm-2:40pm, \$140 class fee + \$28 lab fee per student.
