Biology Workshops for Kids

Bionerds offers fun, hands-on biology workshops for kids in many cities throughout Orange County. We have after-school, in-class, home school, camps, party, field trips, and Girl Scouts programs. We are honored to be voted Orange County's **Best Science Camp for multiple years** from 2016-2021 by Parenting OC Magazine families. We are also chosen as one of the Coolest After-School Classes in the Country by Red Tricycle website. **All of our teachers have degree(s) in biology or other related sciences/experiences.**

Fall 2022: Human Body: From Head to Toe!

Come and join this fun and hands-on biology workshop for kids! Learn about how amazing your body is and how its systems work, from your brain to your skin.
