

Biology Workshops for Kids

Bionerds offers fun, hands-on biology workshops for kids grades in many cities throughout Orange County. We have after-school, in-class, home school, camps, party, field trips, and Girl Scouts programs. We are honored to be voted Orange County's Best Science Camp for multiple years from 2015-2021 in a row by Parenting OC Magazine families. We are also chosen as one of the Coolest After-School Classes in the Country by Red Tricycle website. All of our teachers have degree(s) in biology or other related sciences/experiences.

Fall 2022: Land and Water Creatures

Come and join this fun and hands-on biology workshop for kids! Learn about the land and water creatures from lizard, frog, sea urchin, stingray, and more. Your child will be up close with fresh/preserved organisms, perform many dissections, and engage in cool biology experiments using lab equipment/tools.
