Bionerds

Biology Workshops for Kids

Bionerds offers fun, hands-on biology workshops for kids in many cities throughout Orange County. We have after-school, in-class, home school, camps, party, field trips, and Girl Scouts programs. We are honored to be voted Orange County's Best Science Camp for multiple years from 2016-2021 by Parenting OC Magazine families. We are also chosen as one of the Coolest After-School Classes in the Country by Red Tricycle website. All of our teachers have degree(s) in biology or other related sciences/experiences.

Fall 2022: Let's Dive into the Ocean

Come and join this fun and hands-on biology workshop for kids! Learn about the amazing marine animals from the tiny planktons, sea stars, to the great white sharks, and many more. Your child will be up close with the live/preserved/fresh organisms, perform many dissections, and engage in cool biology experiments using lab equipment/tools.
