Biology Workshops for Kids

Bionerds offers fun, hands-on biology workshops for kids in many cities throughout Orange County. We are honored to be voted **Orange County's Best Science Camp** for multiple years from 2016-2021 by Parenting OC Magazine families. **All of our teachers have degree(s) in biology or other related sciences/experiences.**

Winter 2023 Session: Land and Water Creatures

Come and join this fun and hands-on biology workshop for kids! Learn about the land and water creatures from lizard, frog, sea urchin, stingray, and more. Your child will be up close with fresh/preserved organisms, perform many dissections, and engage in cool biology experiments using lab equipment/tools.

Spring 2023 Session: Gardening Science: Nurture Your Mind and Stems!

Do you have a child that loves being outside or in the backyard? Join our fun hands-on workshops about the science behind gardening! Learn about soil science, plant science, garden insects, and more! Be up close with live plants and critters in our gardening-related activities and experiments.
