

Biology. Kids. Hands-on. Fun.

Bionerds

Biology Workshops for Kids

Bionerds offers fun, hands-on biology workshops for kids in many cities throughout Orange County. We have after-school, in-class, home school, camps, party, field trips, and Girl Scouts programs. We are honored to be voted Orange County's Best Science Camp for multiple years from 2015-2021 by Parenting OC Magazine families. We are also chosen as one of the Coolest After-School Classes in the Country by Red Tricycle website. **All of our teachers have degree(s) in biology or other related sciences/experiences.**

Session 3: Gardening Science

Do you have a child that loves being outside or in the backyard? Join our fun hands-on workshops about the science behind gardening! Learn about soil science, plant science, garden insects, and more! Be up close with live plants and critters in our gardening-related activities and experiments.
