# ANIMAL KINGDOM: WILDER THAN YOU THINK!

SPRING '24 AFTERSCHOOL PROGRAM  
@ DAVIS MAGNET SCHOOL

**Grades Kinder - 6th**

**Thursdays 4/18 - 5/30 | 3:05pm - 4:05pm**  
**7 Classes Total**

**\$217 per student (Materials fee included)**

Come and join this fun and hands-on biology workshop for kids! Learn about the amazing animal kingdom, from frogs, lizard, birds, and more. Your child will be up close with fresh/preserved organisms, perform many dissections, and engage in cool biology activities using lab equipment/tools.

## WHAT IS A BIONERD?

Bionerds was founded in Orange County, CA. on September 2015 with a mission to nurture curiosity, share lifetime passion and give opportunities for the younger generation to learn about biology through self-discovery.

We believe each individual is a Bionerd.

With the right environment provided at a young age, kids will learn and appreciate how amazing living things are. Living things are too amazing not to be wondered about!
